

Islip, NY – Islip Town Supervisor Nolan was pleased to be on hand for the re-opening of the newly renovated JCPenney department store at the South Shore Mall in Bay Shore. During this event, representatives from the store presented a contribution to the Boys & Girls Club of Suffolk County.

“I’m proud to say that this store was able to improve their environment for our residents and give back to the community at the same time,” said Supervisor Nolan. “I think it sets a great precedent for all businesses in our area.”
